

## **REGISTERED BEHAVIOR THERAPIST & BEHAVIOR**

**Now Hiring *Part Time* RBT's and BT's in Wellesley, Middleboro and Danvers**

Puddingstone Place is creating a nationwide network of centers to bring innovative language and behavioral therapy from Boston Children's Hospital to families everywhere. The mission is to enhance communication, behavior, and improve the overall quality of life for individuals with ASD and other Developmental Disabilities. Our innovative, evidence-based instruction incorporates cutting edge technology and customized treatment plans for each learner. We provide support carryover of skills to the home, school and community settings. In addition, we are committed to contributing to research on best practices.

Puddingstone Place is a private treatment center, serving individuals with autism and other disabilities. Our energetic and highly qualified staff provides speech and language diagnosis and treatment, occupational therapy, as well as ABA services to individuals. Our unique therapeutic approach emphasizes use of visual supports and cutting-edge technology to deliver innovative instruction and exceptional outcomes. Training, support and supervision to become a Registered Behavior Technician (RBT) and opportunity for advancement is available. BCBA supervision is available for those enrolled in a university program.

We are seeking highly motivated individuals who enjoy working with children with special needs. The ideal candidate will be a team player, reliable, and eager to learn. You must be nurturing, patient, creative, and playful with a desire to help individuals with Autism achieve learning goals.

### **You will be responsible for:**

- Providing one on one (1:1) in-home or center-based Applied Behavioral Analysis (ABA) therapy
- Implementing skill and behavior programs written by the BCBA in home / center-based settings
- Collecting accurate data every session and graphing data at the end of each session
- Working with a BCBA (Board Certified Behavior Analyst) Supervisor to implement basic principles and teaching procedures of ABA therapy and communicating case management concerns with the BCBA and the Clinical Director
- Submitting all documentation (e.g., session notes, timesheets, etc.) in a timely manner
- Being responsive to the needs and requests of clients, their families, and supervisors
- Providing services that are effective, efficient, and ethical and maintain professionalism in all aspects of your work
- Arriving on time and being prepared for therapy sessions
- Maintaining confidentiality of clients at all times
- Promoting Puddingstone's philosophies and maintaining a positive attitude and work environment

**To qualify, you must have:**

- Experience and interest in working with children with Autism
- Bachelor's degree in Special Education, Education, Psychology or a related field is preferred, (high School graduates with experience will be considered)
- Interest in learning to use technology to support and teach individuals with disabilities
- Must possess excellent communication skills both written and oral
- Reliable method of transportation and a valid drivers license
- Ability to pass a background check.

Puddingstone Place is an Equal Opportunity / Affirmative Action Employer. Qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, sex, sexual orientation, gender identity, protected veteran status or disability.
